IMPLEMENTING AUTHORITY OF RURAL DEVELOPMENT INTERVENTIONS

INTERVENTION P3-77-1.1

Establishment of Producer Groups and Organisations

**in the field of Agriculture
of the Strategic Plan of the Common Agricultural Policy (CAP)
of Greece 2023-2027**

The objective

of the intervention is to encourage farmers/livestock farmers to set up/participate in collective schemes (producer groups or producer organisations) in the agriculture/livestock sector that will help them to jointly address the new market challenges and strengthen their position in the agri-food value chain.

Total Public Expenditure **EUR 31,179,560.00**

Beneficiaries

New Producer Groups and Producer Organisations which have been officially recognised after the publication of Law 4384/2016 (Government Gazette, Series I, No 78), as in force, have been recognised within five years and belong to the category of Very Small, Small and Medium-sized Enterprises (SMEs) as defined in the Commission Recommendation (2003/361/EC) with a view to complying with Article 77 of Regulation 2021/2115.

The minimum number of members upon recognition is as follows:

a) For **producer groups** of plant direction is 12 and minimum value of moving production EUR 100,000.00€. The above limit shall not apply to organic producer groups, to all islands except Crete and Evia and to mountain areas for which the minimum thresholds are set at 50%.

b) For the **Producer Groups** of animal direction is 8 and minimum value of moving production EUR 100,000.00€. The above limit does not apply to organic producer groups, to all the islands outside Crete and Evia and to mountain areas, for which the minimum limits are set at five (5) members and a minimum value of production of EUR 50,000.00.

c) For **Producer Organisations** of plant direction is 30 and minimum value of moving production EUR 300,000.00. The above limit shall not apply to organic producer organisations, to all islands outside Crete and Evia and to mountain areas for which the minimum thresholds are set at 50%.

d) For the **Producer Organizations** of animal direction is 20 and minimum value of moving production EUR 300,000.00€. The above limit shall not apply to organic producer organisations, to all islands outside Crete and Evia and to mountain areas for which the minimum thresholds are set at 50%.
For producer groups recognised before the call for intervention, they shall, exceptionally, be eligible for aid where they have at least the number of members set up by the national institutional framework. At the time of the final submission of their application for intervention, the conditions set out in points (a) and (b) above must be met.

Type of support

• Financial support for the establishment of new Producer Groups, Producer Organisations shall be granted on an annual basis in the form of a support amount which shall constitute a percentage of the annual market value of the product(s) of the Producer Group or Producer Organisation. The aid will be granted for the years less than five years after the final submission of their application and subject to the achievement of the objectives of the business plan.

Intervention P3-77-1.1 Establishment of Producer Groups and Organisations

Percentages of support

10%
of the value of marketed production in the 1st year following recognition (in accordance with Article 77(8)(b) of Regulation (EU) 2021/2115)
